COVID-19 protocols for the September Tuckahoe Hammer-in

- 1) We are encouraging all attendees to bring and wear masks. Having said that, our event location allows for ample social distancing and open ventilation. This means that masks may not be necessary to wear during the entire event. Judgement calls can be made given circumstances.
- 2) Safety glasses need to be worn, as normal, for sparks and possible flying debris.
- 3) Breakfast and lunch will be served as normal but we will be using more tables to allow for spread out seating. Also if anyone wishes to brown bag their lunch they are welcome to.
- 4) We will be holding the dinner and slide show outside where there is better ventilation.
- 5) We encourage attendees to wash their hands frequently.
- 6) If you have any COVID-19 symptoms, especially fever, the day of the event or at any time in the previous week please stay home. If you experience this please call Pat at: 410-822-2418 and we will arrange a refund.
